

EFC IX SATELLITE MEETING

EUROPEAN FEDERATION FOR COLPOSCOPY AND CERVICAL CANCER PREVENTION

Reaching consensus on role of HPV vaccine in colposcopy, CIN2 management, and Endocervical curettage

Marseille | 27/28 November 2025

EFC Satellite Meeting and Pre Courses

27-28th of November 2025, Marseille

Day 1 – Thursday the 27th of November 2025

PARALLEL SESSIONS

Pre course 1:

*Colposcopy course: management of
intraepithelial cervical lesions*

- 13h30-13h50:** Who can benefit of cervical
laser ablation and how? -
Maggie Cruickshank (GB)
- 13h50-14h20:** How should excisional
treatment of cervical
intraepithelial lesions be
performed? - **Pekka
Nieminen** (FI)
- 14h20-14h40:** Optimal treatment strategies
for adenocarcinoma in situ of
the cervix – **Xavier Carcopino**
(FR)
- 14h40-15h00:** Post-treatment follow-up –
Mihaela Grigore (RO)

Pre course 2:

Difficult colposcopic cases

- 13h30-15h00** Part 1 - **Jana Zodzika** (LV),
Vesna Kesic (SE), **Andréa
Ciavattini** (IT), **Amélia Pedro**
(PT)

15h00-15h30: **Coffee break**

15h00-15h30: **Coffee break**

- 15h30-17h00:** Hands on session/simulation
of LLETZ and laser ablation
under colposcopic vision -
Xavier Carcopino (FR) and
Jana Zodzika (LV)

- 15h30-17h00** Part 2 - **Anne Hammer** (DK),
Robert Jach (PO), **Tamar
Alibegashvili** (GE), **Pekka
Nieminen** (FI)

Day 2 – Friday the 28th of November 2025

Session 1: Quality and standards

Chairs: **Simon Leeson** (BG) & **Andréa Ciavattini** (IT)

09h00-09h20: Defining quality assurance: How to identify potential quality indicators and use them in daily clinical practice (PDSA) – **Maggie Cruickshank** (GB)

09h20-09h40: Reproducibility and validity of quality indicators for diagnostics and treatment of cervical precancer – **Laura Kotaniemi -Talonen** (FL)

09h40-10h00: Which and how patients should be offered screening for anal cancer?
– **Vesna Kesic** (SE)

10h00-10h30: Discussion

10h30-11h00: Coffee break

Session 2: Best current evidence on HPV Vaccination

Chairs: **Jana Zodzika** (LV) & **Amélia Pedro** (PT)

11h00-11h20: Current evidence on HPV vaccination efficacy depending on age
– **Anne Hammer** (DK)

11h20-11h40: Should we recommend one dose HPV-vaccination in Europe? – **Partha Basu** (FR)

11h40-12h00: Current evidence on post-treatment HPV vaccination – **Pekka Nieminen** (FI)

12h00-13h00: Roundtable + Delphi first round about age and post treatment vaccination

13h00-14h00: Lunch break

Session 3: Management of CIN2

Chairs: **Anne Hammer** (DK) & **Maggie Cruickshank** (UK)

- 14h00-14h20:** CIN2: perspectives and concerns of the pathologist – **Christine Bergeron** (FR)
- 14h20-14h40:** Management of CIN2: Putting in balance preterm birth risk with cervical cancer? – **Ilkka Kalliala** (FI)
- 14h40-15h00:** Follow up of CIN2: How selecting the right women for it? – **Anne Hammer** (DK)
- 15h00-16h00:** Roundtable + Delphi first round on optimal selection of women for active surveillance of CIN2

16h00-16h30: Coffee break

Session 4: ESGO / EFC guidelines on endocervical curettage and assessment of current clinical practices throughout Europe

Chairs: **Christine Bergeron** (FR) & **Mario Preti** (IT)

- 16h30-16h50:** Endocervical curettage: A challenge for the pathologist – **Christine Bergeron** (FR)
- 16h50-17h10:** How should endocervical curettage be performed – **Xavier Carcopino** (FR)
- 17h10-17h30:** ESGO / EFC guidelines on endocervical curettage - **Mario Preti** (IT)
- 17h30-18h30:** Discussion and Delphi assessment of current clinical practices throughout Europe

18h30: End of the satellite meeting

Scientific committee:

Maggie Cruickshank, Anne Hammer, Amelia Pedro, Jana Zodzika, Pekka Nieminen, Xavier Carcopino
